SOWING
seeds FOR LIFE

A woman's choice for life can start with the smallest seed of hope, love, or a kind word.

"Whatever one sows, that will he also reap. And let us not grow weary of doing good, for in due season we will reap, if we do not give up. So then, as we have opportunity, let us do good to everyone..." Gal. 6:7, 9 - 10

As Christians, we are called to sow the seeds of love and life to those around us. Because of the amazing grace of Jesus Christ, we are able to pour into the lives of our family, our friends, and those in need.

At New Life Family Outreach, we are sowing seeds for life among women and men in our community facing an unplanned pregnancy. Our clients are often confused, scared, and unsure how they can make a choice to give birth to and raise a child. We offer them compassionate counseling in a non-judgmental environment where we can provide the most up-to-date information and the necessary resources they need.

A women's choice for life can start with the smallest seed of hope, love, or a kind word. Would you consider helping us in our ministry? Join us, and you can take part in preparing the soil in the hearts of many women, couples, and families in our shared community, by
